## **BUDGET FORESCASTING AND PLANNING**

\* The 1st Call for Proposals is **organized into three strands**.

The grant takes the **form of a lump sum grant**. Each strand is associated with a **fixed grant amount**.

### **Grant amount:**

A fixed grant amount is a set sum of money that is provided as financial support for the selected project. It does not change regardless of the actual costs or expenses incurred.

In other words, it's a fixed or unchanging sum of funding that the selected applicant will receive to accomplish the project, and they must manage their expenses within that set amount.

- STRAND A 60,000€
- STRAND B 40,000€
- STRAND C 20,000€

#### **Budget Breakdown:**

Please complete the table below, detailing the expected expenses into the different budget categories.
